Subject: Coordination meeting....

Hi Rob,

We'll send an agenda later this week or next Monday, but I wanted to let you know that the coordination meeting between the CPG and Occidental/Tierra will be held on September 18th, at EPA's facility in Edison. Since the CAG meeting is that night, we'll probably meet in the afternoon, so those of us going to the CAG can head straight over after the meeting. Plan on meeting from 1 to 4 for now.

As we've discussed, I also want to confirm that the meeting will be for technical staff only; no lawyers will be attending.

Thanks,
Stephanie
